

Easter Seals Society of Prince Edward Island

P.O. Box 21004 RPO University, Charlottetown, P.E. C1A 9H6
www.eastersealspei.org

Thank you:

As Rotarians we know first-hand the value of the Easter Seals campaign and the tremendous work supported by your donations. Dedicated individuals across Prince Edward Island turn your financial contribution into specific and specialized services that not only support people with disabilities but make a difference in their lives. In the process they enrich us all by giving powerful meaning to your support.

Throughout the year organizations like Camp Gencheff, the PEI Council of the Disabled, Cerebral Palsy Association, Joyriders and many others benefit from the funding of Easter Seals, funding that is only possible because of you. The smiles generated by Easter Seals supported work is the reason the Rotary Clubs of Montague, Summerside and Charlottetown have 56 years of involvement with this campaign.

We are especially proud that all the funds raised stay here on Prince Edward Island and support people with disabilities in communities across the province.

In seeking your continued support it is impossible to improve on the words of Ambassador Luke Gaudet, "You can do anything with a positive attitude." Easter Seals helps foster that positive attitude and fully supports the belief that anything is possible.

We also know first-hand that there are many more services Easter Seals could support and making those choices is never easy. You have a choice as well. We thank you for your past support and ask that you choose to support Easter Seals and the people who benefit from the services.

For additional information about Easter Seals, to follow the progress of our campaign and the activities of Ambassador Luke or to donate on-line visit our website at www.eastersealspei.org.
