The Easter Seals Campaign on Prince Edward Island is a franchised project of the Charlottetown Rotary Club, and supported by Rotary Clubs in Summerside & Montague. The three Rotary Clubs participate directly in the annual Easter Seals Campaign through a provincial committee, officially known as the Easter Seals Society of Prince Edward Island. The Society consists of members of the Rotary Club of Charlottetown and one member from each of the Summerside and Montague Clubs. Monies raised during the annual campaign are divided as follows: 50% to the Provincial Committee with the remainder divided among the three Clubs according to the proportion of the monies raised in each of the three counties in which each club is located.

With the generous support of many Island businesses, individual Islanders, and our schools, fund-raising activities enable the Society and the three Clubs to help fund programs and equipment for people with disabilities. The funds raised here stay on the Island and are used to support programs helping the disabled throughout our Province.
